Dear

I am writing to ask you a favor but before I do so I want to thank those of you who have taken the time to write or call me since my last letter. I am so proud to be the president of a company with so many good employees. **Now the favor**, enclosed please find a \$5 bill. I would like to ask that you take this \$5 bill and put it in the hands of someone other than yourself. You make the call. Take five minutes to decide or five days. What I would like for you to do is give it to someone who is in need. We know that our country is having a terrible time and we know its only \$5 but if you give it to someone really in need it will go a long way. By doing so you will feel better and by doing so they will too.

We should all try to help and I hope this small token will help in some way. I am proud of you all and please keep up the good work.

Please do me a favor and email Jason Cassel if something good or funny happens as a result of your gift. I would like to have him post these good stories on our website.

Sincerely Yours,

Bob Watson
